ABOUT THE FALL FÊTE The New York Foundling is hosting its annual Fall Fête at Cipriani 25 Broadway on Wednesday, October 23. This year’s Fall Fête celebrates our champions of potential—the members of our Foundling family who generously contribute their time, resources, and dedication to our programs—and the impact we have made together on the children, adults, and families in our community. The evening features cocktails, hors d’oeuvres, a seated dinner, auction, and entertainment.

HONOREES

For more than two decades **THE MEDICAL LINK**, an insurance brokerage specializing in employee benefits, and its founder, **MICKEY LYONS**, have served as trusted partners of The Foundling. Mickey uses his extensive insurance and legislative lobbying experience to improve America’s healthcare system by helping employers maintain the health of their employees while reducing costs. He is particularly motivated to help organizations working in the non-profit, community outreach, and diversity sectors and is an ardent supporter of The Foundling. In addition to his professional support of the organization, Mickey served as co-chair of the Fall Fête for the past 5 years and is a champion for the Mott Haven Academy Charter School, founded by The Foundling in 2008.

Mickey has also been an advisor to the Independent Doctors of New York, the Society of Human Resources Management, and is the former president of New York Metropolitan Association of Underwriters and is a recipient of their first Lifetime Achievement Award. Mickey has also been on advisory boards for Blue Cross Blue Shield, Aetna, and United Healthcare.
