WHAT CAN HEALTHY FAMILIES STATEN ISLAND DO FOR YOU?

Raising a family and having a child in today's world is a big responsibility. It's not always easy knowing the "right" thing to do as a parent, or who to talk to when things seem overwhelming.

Healthy Families Staten Island is here to support you! We understand that you are your child's first and best teacher, and we want to help you be the best parents you can be.

Our home visiting program provides support and resources for new and expecting parents living on Staten Island's North Shore, helping you meet the challenges of parenting a new child.

BEST OF ALL, WE COME TO YOU!

HEALTHY FAMILIES HELPS PARENTS RIGHT FROM THE START!

The program provides assistance with:

CHILD DEVELOPMENT

REACHING EMPLOYMENT & EDUCATIONAL GOALS

BREASTFEEDING AND NUTRITION

ENHANCING PARENTING SKILLS

COPING WITH STRESS

TEACHING THROUGH PLAY

ACCESSING COMMUNITY RESOURCES

OUR CURRICULUM AND MODEL

Healthy Families Staten Island uses **Growing Great Kids (GGK) Next Generation Prenatal-36 Months** - a comprehensive parenting, attachment, health/wellness, child development, and family strengthening curriculum.

The primary focus of the curriculum is on fostering the growth of secure attachment relationships and developmentally enriched, empathic parenting that supports families to reduce their stress and build protective buffers for their children.

Areas of focus include:

1. Basic Care
2. Social & Emotional Development
3. Cues & Communication
4. Physical & Cognitive Development
5. Play & Stimulation

HOW IT WORKS

Once enrolled in the program, a Family Resource Specialist will meet with the family to do a complete assessment of needs and stressors. To provide families with the support that they need, our Family Support Specialists will initially meet with families on a weekly basis (4x/month) for hourly home visits. It's important that the visits are consistent to build on the skills and strategies that will strengthen parents.

Families remain in the program until their child turns 5, or when they enter Pre-K or Kindergarten.
